Dear Vice President of Operations:

Meshberger Brothers Stone Corporation was issued a FESOP Renewal permit on January 24, 2002 for a stationary hot-mix asphalt source. A letter requesting a change in Authorized Individual was received on July 31, 2002. Pursuant to the provisions of 326 IAC 2-8-10 the permit is hereby administratively amended as follows:

A.1 General Information [326 IAC 2-8-3(b)]

The Permittee owns and operates a stationary hot mix asphalt source.

Authorized Individual:	W. Craig Coshaw Vice President of Operations
Source Address:	1972 West State Road 28, Ridgeville, Indiana 47380
Mailing Address:	P.O. Box 345 Berne, Indiana 46711
General Source Phone Number:	219 260-334-5311

County Location	Randolph
Source Location Status:	Attainment for all criteria pollutants
Source Status:	Federally Enforceable State Operating Permit (FESOP) Minor Source, under PSD Rules; Minor Source, Section 112 of the Clean Air Act

Meshberger Brothers Stone Corporation has requested the position of Vice President of Operations be named as the authorized individual to replace naming a specific person. The position of Vice President of Operations meets the requirements of 326 IAC 2-1.1-1(1) as an Authorized Individual. A correction was made to the area code in the telephone number to coincide with the recent change in Northern Indiana. A typographical error was corrected in A.1 Standard Industrial Code (SIC Code). The code was changed to reflect the proper code for a hot-mix asphalt source.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment and the following revised permit pages to the front of the original permit.
